

Legal Aid

The George C. Cochran Innocence Project is committed to providing the highest quality legal representation to its clients: Mississippi state prisoners serving significant periods of incarceration who have cognizable claims of wrongful conviction. In addition, the Project seeks to identify and address systemic problems in the criminal justice system and to develop initiatives designed to raise public and political awareness of the prevalence, causes and societal costs of wrongful convictions.

Innocence Project New Orleans: Innocence Project New Orleans (IPNO) frees innocent, life-sentenced prisoners. We support our clients living well and fully in the world after their release. We advocate for sensible criminal justice policies that reduce wrongful convictions. Our office currently only takes cases from Louisiana and south Mississippi.

Reform & Advocacy

FWD.us is a bipartisan political organization that believes America's families, communities, and economy thrive when more individuals are able to achieve their full potential. For too long, our broken immigration and criminal justice systems have locked too many people out from the American dream. They seek to reform these systems in Arizona, Oklahoma, Mississippi, and New York.
