

Reform & Advocacy

New Mexico Women's Justice Project: Our goal is to systemically address the lack of awareness about unique conditions that propel women and girls into the criminal, delinquency, abuse and neglect, and justice systems and keep them trapped there.

Legal Aid

New Mexico Innocence and Justice Project at the UNM School of Law is the ONLY program in the state that that conducts in-depth investigations and coordinates DNA analysis for those who claim to be factually innocent and wrongfully convicted.
