

Legal Aid & Advocacy

Rocky Mountain Innocence Center (RMIC) works to correct and prevent the wrongful conviction of innocent people in Utah, Wyoming, and Nevada. We advocate for systemic reforms to improve our justice system and to create meaningful opportunities for the wrongfully convicted to prove their innocence and to receive compensation for their time spent behind bars.

Reform & Advocacy

Utah Prisoner Advocate Network: When a friend or loved one ends up in prison, it's a grueling experience for all involved as the inmate and his or her supporters try to adjust to the rules, regulations and restrictions of a life separated by bars. The Utah Prisoner Advocate Network is a non-profit community organization that aims to make navigating that new life less complicated and lonely for inmates' supporters while also advocating for better conditions inside Utah jails and prisons.
