## *Legal Aid*

**Mid-Atlantic Innocence Project** works to prevent and correct the conviction of innocent people in D.C., Maryland, and Virginia. We have one of the highest success rates in the country for exonerating those who have been wrongfully accused.

**Innocence Project at the UVA School of Law:** Students in this yearlong clinic investigate and litigate wrongful convictions of inmates throughout the Commonwealth of Virginia. Some of the cases have forensic evidence (usually DNA) that could be tested, and some are non-DNA cases.
